Dear Mr Johnson:

I am writing to find if you are interested in having The Eagles come to Boston for a ballgame. If so what time would it be played, in what park, and who would the opponents be?

Our transportation problem is very bad this year, so we are not anxious to make long trips, however it is possible we would come to Boston if we were wanted.

Please answer me right away, if you want us to come, and tell me what terms you are offering. Would it be possible to arrange a game for Wed. July 28th or Wed. Aug. 18th? If so I could work these dates into my schedule very well.

I will appreciate hearing from you right away.

Very Truly Yours
